

## **Policy against advertising our website using unsolicited email messages**

We require that all e-mails promoting whitehat-seo.co.uk or its products are sent only to clients who have agreed to receive such messages. We prohibit any advertising of our brand and Web site using unsolicited email messages. Not complying with this policy will cause partnership termination and/or affiliate account termination.

If you feel you've been sent unsolicited emails promoting our brand or website and would like to register a complaint, please contact our abuse department. We will immediately investigate all allegations made related to unsolicited messages.

- Your email address is safe with us.
- We never sell or share your email addresses with other companies.
- You can un-subscribe at any time.
